- Annual Membership (already included in above squad fees) – £50.00
- Water Polo Annual Membership – £50.00
- Joining fee for all except Water Polo – £25.00
- Session swims for Study Holiday swimmers (subject to Coach approval) – £4.50 per session. Swimmers must be club members and have paid full annual Membership fee in advance
- University students who swim with CoCSC during term time – £100.00 per term (or £75 per term for those electing to compete for CoCSC).

## Three or more swimmers in a family

A reduction of £5.00 per month is made for the 3rd swimmer. Similar reduction would apply to 4th, and 5th.

## Hardship

The club can reduce fees in specific cases of financial hardship. Please contact the Membership Secretary [membership@cocsc.org.uk](mailto:membership@cocsc.org.uk) who will treat all requests confidentially.

## National Qualifiers

Swimmers who achieve the qualifying times for entry to National or International competitions at Age Group, Youth or Senior level will have the race entry fees paid by the Club.

## Injuries and fees

For long periods of absence from training because of injury or illness, it may be appropriate that full squad fees are not paid.

- 1) No reduction in fees will be given for the first four weeks after training ceases.
- 2) After the first four weeks, the relevant full squad fee will be reduced to the membership fee level. (i.e. as at January 2009, £5.00 per month.)
- 3) When training begins again, at whatever level, full fees are again payable.
- 4) To qualify for the reduction, the swimmer should first speak to their Coach. They should present a doctor's certificate to the Membership Secretary or Treasurer or Chairman or Secretary.
- 5) Before beginning training again, the swimmer should speak to their Coach and also provide a doctor's certificate that shows the injury or illness does not prevent training.
- 6) Any costs associated with doctors' certificates are the responsibility of the swimmer.
