

City of Cambridge Swimming Club

Position	Assistant Coach
Location	Cambridge, UK
Closing Date	Open until filled
Salary	Competitive salary depending on qualifications and experience

Type of Contract Up to 32 hrs/wk

Job Description

City of Cambridge is a successful, swim21 accredited, competitive swimming club of approximately 230 swimming members.

We are seeking to appoint an enthusiastic, highly committed Assistant Coach to join our established coaching team. Coaching experience is expected and the assistant should either have achieved, or be working towards, ASA level 2/or UKCC level 2. The club will fully support the assistant through this process and expect them to carry on through Level 3.

In addition to coaching skills, applicants need to demonstrate the following:

- Ability to communicate effectively with swimmers, head coach, members, committee and parents
- First-rate administration and computing skills
- Willingness to work early mornings, evenings and weekends; covering training sessions, competitions and occasional club related meetings

A full enhanced CRB check will be required.

The Assistant Coach will have primary coaching responsibilities for several of the club's squads. Under the supervision and mentorship of the Head Coach, you will play an active role in program and swimmer development. The Assistant Coach will work with the Head Coach on administrative duties, including training and pool scheduling, vacation scheduling, meet schedules and entries and promotion of the club in the community.

How To Apply

To express an interest and receive further details please contact Head Coach James Freezer and/or Club Chairman Graham Jefferies: 07850 301276 or e-mail head_coach@cocsc.org.uk with a cc to chairman@cocsc.org.uk

The recruitment process will include a formal interview and a poolside coaching session.

The position will remain open until filled.
