

## City of Cambridge Swim Team Announces new Head Coach

**The City of Cambridge Swimming Club** is pleased to announce the appointment of James Freezer as Head Coach. James joins the club from **UEA Norwich** one of the countries premier swim teams, having previously coached at Ipswich and West Suffolk two of the countries other leading clubs. He brings to the club a wealth of experience.

Chairperson Graham Jefferies commented, "James appointment is a key building block in the development of the club, reinforcing an already strong coaching team and volunteer group. The club has sought and obtained a highly motivated Head Coach who has the necessary skills and drive to develop the competitive swim program in Cambridge, building on an established platform to establish the club as a competitive force in national swimming".

The Head Coach will have primary coaching responsibilities for our Performance Squad swimmers and their preparation for regional and national competitions, but will also play an active role in program, coach, and swimmer development for swimmers at all levels and ages.

City of Cambridge is the leading competitive swimming club in the area, with in excess of 400 members and swimmers training from foundation to national levels. To arrange a trial and see if your child has the potential to swim at County, Regional and National Level and take advantage of the fantastic coaching opportunities available at the club, please e-mail [swimmers@cocsc.org.uk](mailto:swimmers@cocsc.org.uk)
